**CAUSE**

As an alternative to a more punitive sanction for this offender's new charge of Driving Under the Influence, the probation office has taken into consideration this offender's particular circumstances and compliance with his probation thus far and recommends that the above modifications be made to both address this offender's noncompliance and his poor judgment as it relates to his alcohol use. In addition, as a part of his condition of "Alcohol/Drug Testing and Treatment" previously imposed, the probation officer will also supervise the offender's compliance and progress with the Substance Abuse Workbook which will be provided to him.
